

2016 – 2017 Band Directory Information/Order Form

Each year Kingwood Band Boosters creates a pictorial directory which is available for purchase. The directory includes each student's picture, lists of students by section, and family/residence information. Pictures of band members who wish to participate will be scheduled during rehearsals this summer. You do not have to purchase a directory in order to be included. Please fill out separate forms for each band student in your household.

All forms and orders are due at Band Camp.
