Kingwood Mighty Mustang Military Marching Band

Of course we need volunteers!

The support of parent volunteers is vital to the success of the band program. **Please volunteer---it makes a real difference to the band experience for our students.** Please fill out one form per family and indicate with initials which parent is volunteering.

Concessions: Band Boosters operates concessions as a service to the school district and the community. Approximately 50% of our total income is generated here, greatly affecting our ability to enhance the band program for our students. We are asking that each family sign up for at least 4 shifts. **It takes 60 volunteers to operate our Varsity home games and 10 for Freshman/JV games!**

Please initial shifts that you can work.

Fundraisers and Special Events:

_____ Help collect order forms and distribute Yankee Candle Products (August/Sept.)

Note: All volunteers will receive a confirmation call or e-mail just prior to the event. We do not often have the luxury of turning away volunteers BUT if you do not receive confirmation of a date for which you volunteered, we have enough volunteers for that event. Please consider volunteering again.

Thank you for your volunteer support of the Kingwood High School band program.
